The EiA Story - nearly 30 years in the making

Classroom 2B - 09:32am on 12th Oct 1990

Location: BG Neusiedl am See, Austria

Mag. Neuner has a problem...

But then she had an ingenious idea!

If we can't go abroad, what about bringing the UK to us?

10 months on - 04:46am in Canterbury, UK

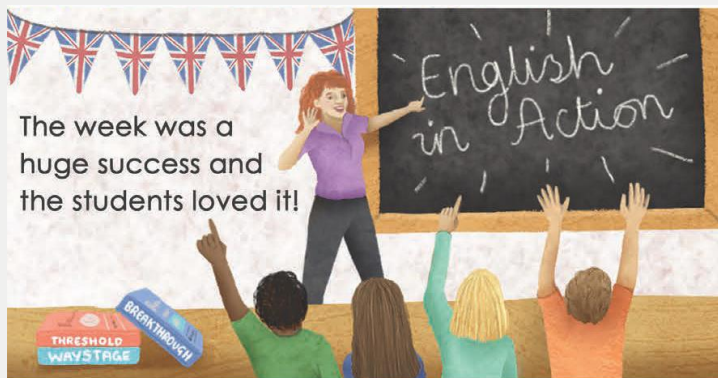

That summer a bunch of EiA teachers got onto a minibus and drove all the way to Neusiedl am See.

The week was a huge success and the students loved it!

A few years later...

Have you heard what they're up to in Neusiedl?

Word was starting to spread...

Over the years...

The bookings kept rolling in and schools in other countries got wind of the idea.

The bus was swapped for planes but the idea remained the same.

Almost 30 years later...

In 2020 over half a million students will have taken part in nearly 30 countries...

and Christina is still inviting us back to Neusiedl am See. Even after all those years.
